"I have read and understand all the handbook information and agree to participate fully in the orchestra program for the 2021-2022 school year. I understand that orchestra is a full year commitment and as long as I am in orchestra I will attend all required activities (see calendar). I will strive to continually do my best and keep a positive attitude. I also understand that I am fully responsible for not only my own classroom items (personal instrument, binder, etc.), but also those that are checked out to me (school instrument, music, etc.) either briefly or for the school year."

I understand that my child, as a 7/8th grader, may be required to attend weekly sectionals as well as additional rehearsals. I understand these are graded rehearsals and if there is a transportation issue I need to contact the directors as soon as possible. I understand that my child as a 6th grader must attend after school rehearsals during the year prior to major performances, and that these are graded rehearsals.

I understand that my child plays an important and vital role in the orchestra and will try to schedule doctor's appointments, etc. around these extra rehearsals. I also understand that I am fully responsible not only for my child's own classroom items (personal instrument, binder, etc.), but also those that are checked out to hither (school, music, etc.) either briefly or for the school year and that I am liable for damage to or loss of any school equipment and/or music."

Maus Orchestra Private Lesson Sign-Up Form

Lessons are educational & fun!!

Private lessons may occur before, during, or after the school day. This is a great opportunity for your student to get one-on-one attention with an expert according to his/her instrument so they can further their skills as a musician. Lessons are available at a cost of $20 per lesson for a 25-minute session per week. All teachers are hired, and background checked through the district. Parents are responsible for making payments to the private teachers on time and on a schedule determined by each individual teacher. Students are usually asked to pay for their lessons a month at a time. Returned checks should be avoided. Parents are responsible for fees associated as a result of a returned check.

All students in the Maus MS Orchestra are encouraged to enroll in private lessons. Students who take advantage of this excellent program learn at a faster pace and have a better understanding of their music. Spots in a teacher's schedule will be filled on a first come-first serve basis. If a waiting list occurs, students will be notified if a spot opens in the order their lesson request was received.

Please note: Signing up for lessons is a yearlong commitment. If you sign up for lessons now, you are obligated to continue through May of 2022.
