

## Maus Orchestra Private Lesson Sign- Up Form

Private lessons may occur before, during, before, or after the school day. This is a great opportunity for your student to get one-on-one attention with an expert on their instrument so they can further their skills as a musician. Lessons are available at a cost of \$23 per lesson for a 23 minute session per week. Parents are responsible for making payments to the private teachers on time and on a scheduled determined by each individual teacher. Students are usually asked to pay for their lessons a month at a time. Returned checks should be avoided. Parents are responsible for fees associated as a result of a returned check.

All students in the Mountain Lion Orchestra are encouraged to enroll in private lessons. Students who take advantage of this excellent program learn at a faster pace and have a better understanding of their music. Spots in a teacher's schedule will be filled on a first come-first served basis. If a waiting list occurs students will be notified if a spot opens up in the order their lessons request was received. **Directors approve lesson scheduling.** Students/parents may not change lesson times without prior director approval. Missing lessons for more than one week may result in an orchestra change. Signing up for lessons is a **yearlong commitment. You may not quit lessons until the end of the school year.**

I would like to enroll my child in the private lesson program for the school year.
